- **57 office visits**

**Senate: 5 of 8 Senate Offices -
63%**

Dem: 1

Rep: 4

**House: 52 of 80 House Offices -
65%**

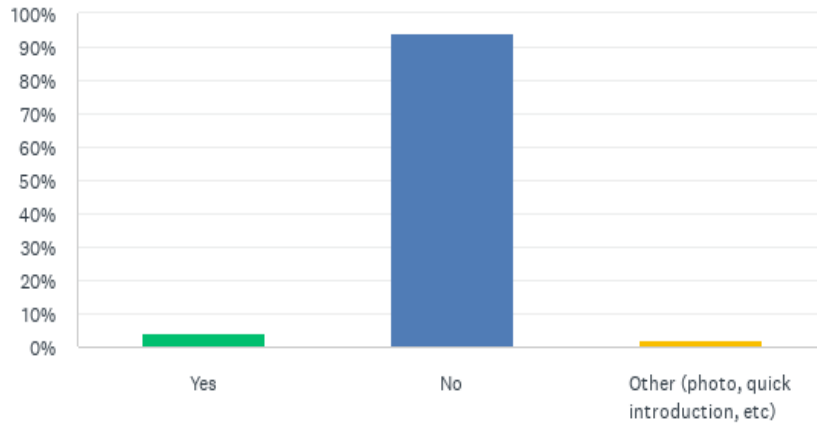

Dem: 23

Rep: 29

Survey Data Highlights

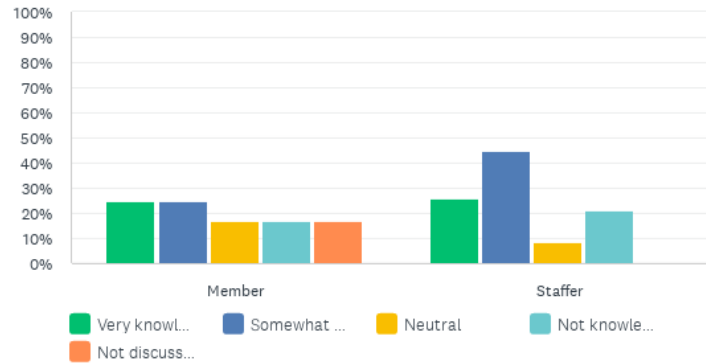

Did the Member attend the meeting?

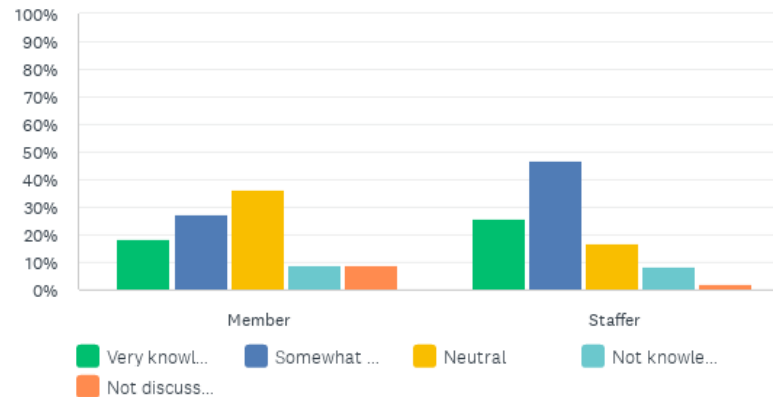

How engaged were they during the discussion?

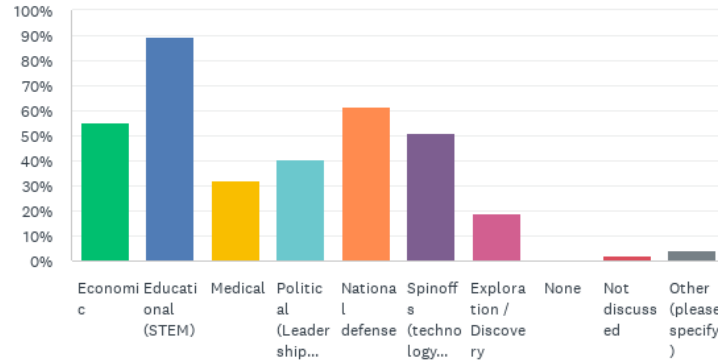

How aware was the Member/staff of NASA's human spaceflight programs (e.g. ISS, SLS, Orion, Commercial...)?

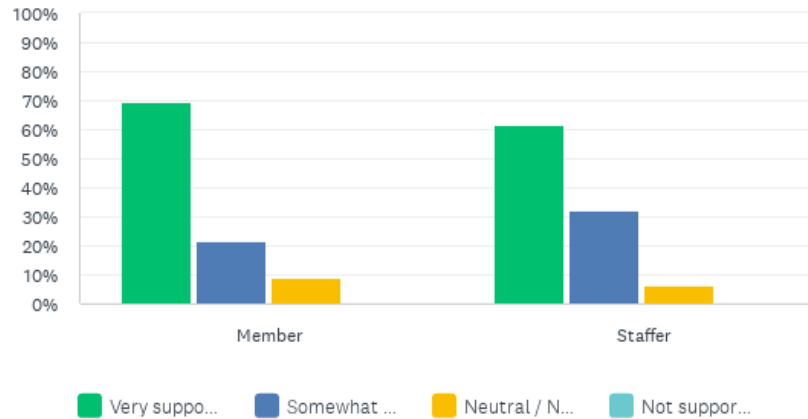

How aware was the Member/staff concerning the benefits derived from the space program?

Did they mention any specific benefits? Or were there any that resonated particularly well?

What is their level of support for Human Space Exploration?

Special Thanks

Robin and Stephen Mayer
